Planning a children's story

When writing a story, it is important to have a clear idea of what will take place before beginning to write. Use the questions below to help build your story and the boxes on the next page to help you map out what each page will look like.

Write a short summary of your story.	
Where does your story take place?	
What do you want kids to learn from your story? (Moral)	
Who are your characters? Describe them.	
What problems do your characters run into?
