

Des outils de mesure

Nom : _____

Dans chacun des cercles ci-dessous, nomme ou illustre des outils qui permettent de mesurer cet attribut.

The activity consists of five large, empty circles arranged in a pentagonal pattern. Each circle is labeled with a measurement attribute in bold black text at the top. The labels are: 'Capacité' (top-left), 'Temps' (top-right), 'Masse' (middle-left), 'Longueur' (middle-right), and 'Température' (bottom-center). The circles are intended for students to draw or name measurement tools related to each attribute.
