

## Podcast Plan

You are now a podcast expert! Before writing the script for your own podcast, make sure you have a clear idea of what your podcast will be and what elements you want to include. Make sure to add any important details you may need to remember!

<b>Podcast genre:</b> <b>Podcast name:</b> <b>Podcast episode name:</b>	
<b>What is the subject of your podcast?</b>	<b>What specific elements will you be covering in this podcast?</b>
<b>Introduction blurb ideas</b>	<b>Secondary element 1</b>
<b>Secondary element 2</b>	<b>Secondary element 3</b>
<b>Concluding concepts</b>	<b>Extra ideas and concepts</b>
